

Thursday

An activity to use each day – Money and Maths

Where does our money come from? (from our big questions) – can we find 3...

What coins do you know?

- Identify 3
- Add them up

What do people spend money on?

- Come up with 3 ideas of things you would spend money on.
- Come up with 3 ideas an adult might spend money on.

What does it mean to save money?

- Think of 3 things to save money for
- Think of 3 reasons why you might save money
- What might be hard about saving money?
