

Friday

An activity to use each day – Money and Maths

Being Generous

Try acting out these money montages or skits taken from our Moneybox Productions resource. This could be done in pairs or small groups.

Buying a treat for a friend who is poorly

Seeing someone drop money and giving it back

Giving some money to charity

Counting out change for a customer in a shop

Earning some pocket money – doing a job at home

Opening a bank account to deposit your money

Counting how much money you have.

Saying thank you for a birthday present.
